Daman™

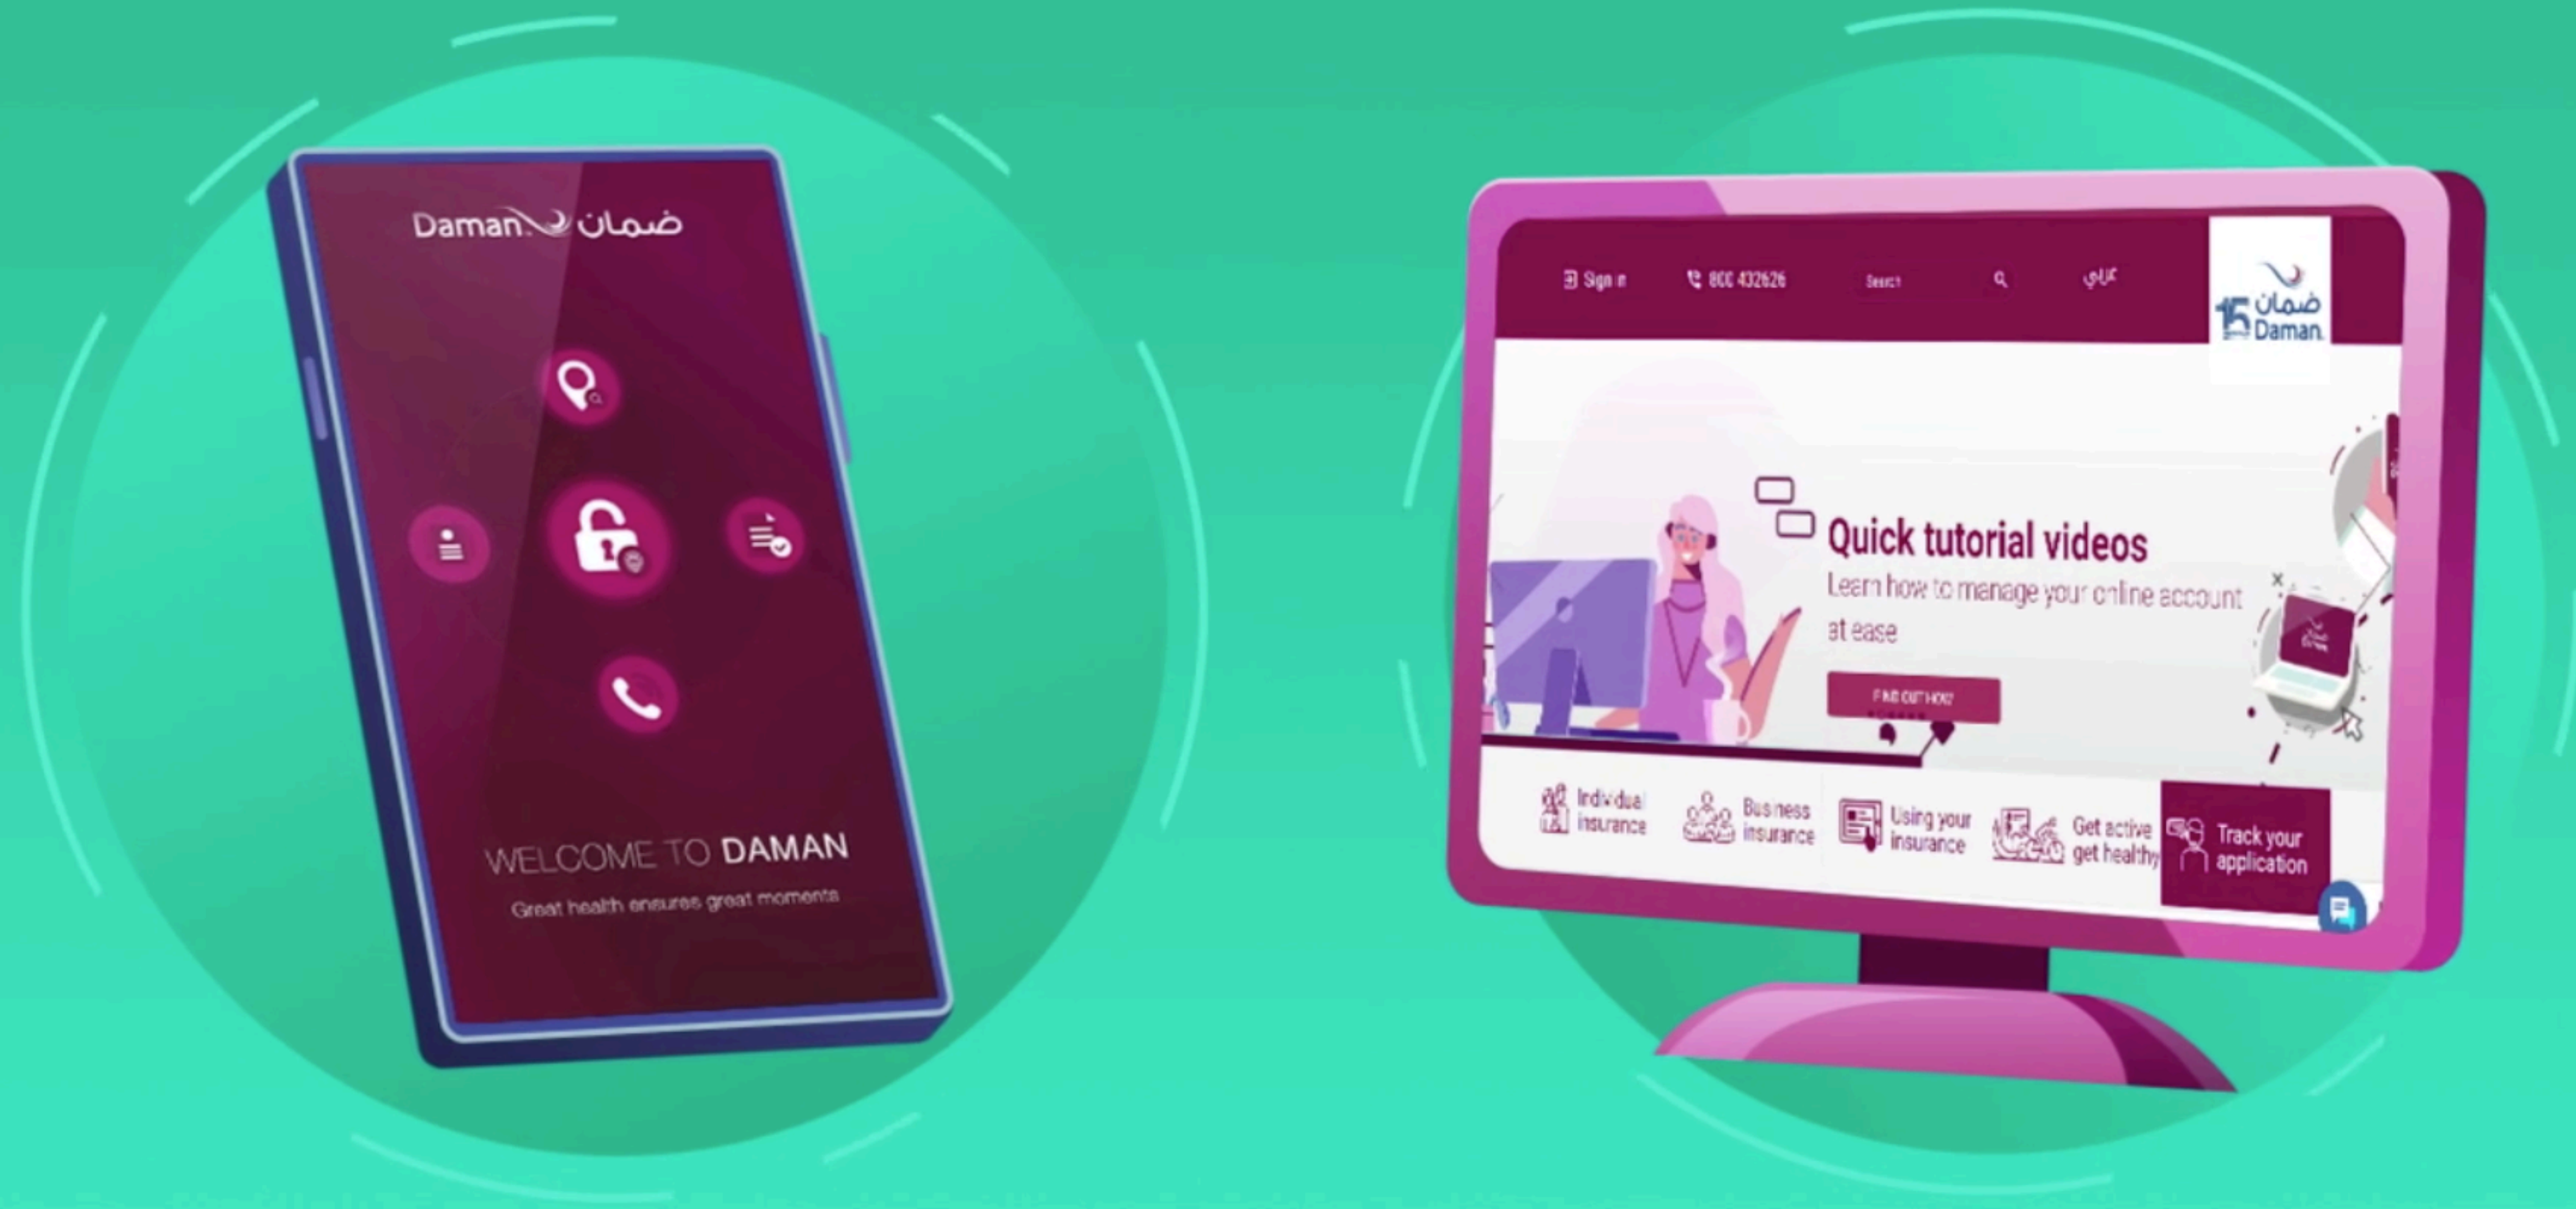

Welcome to Daman!

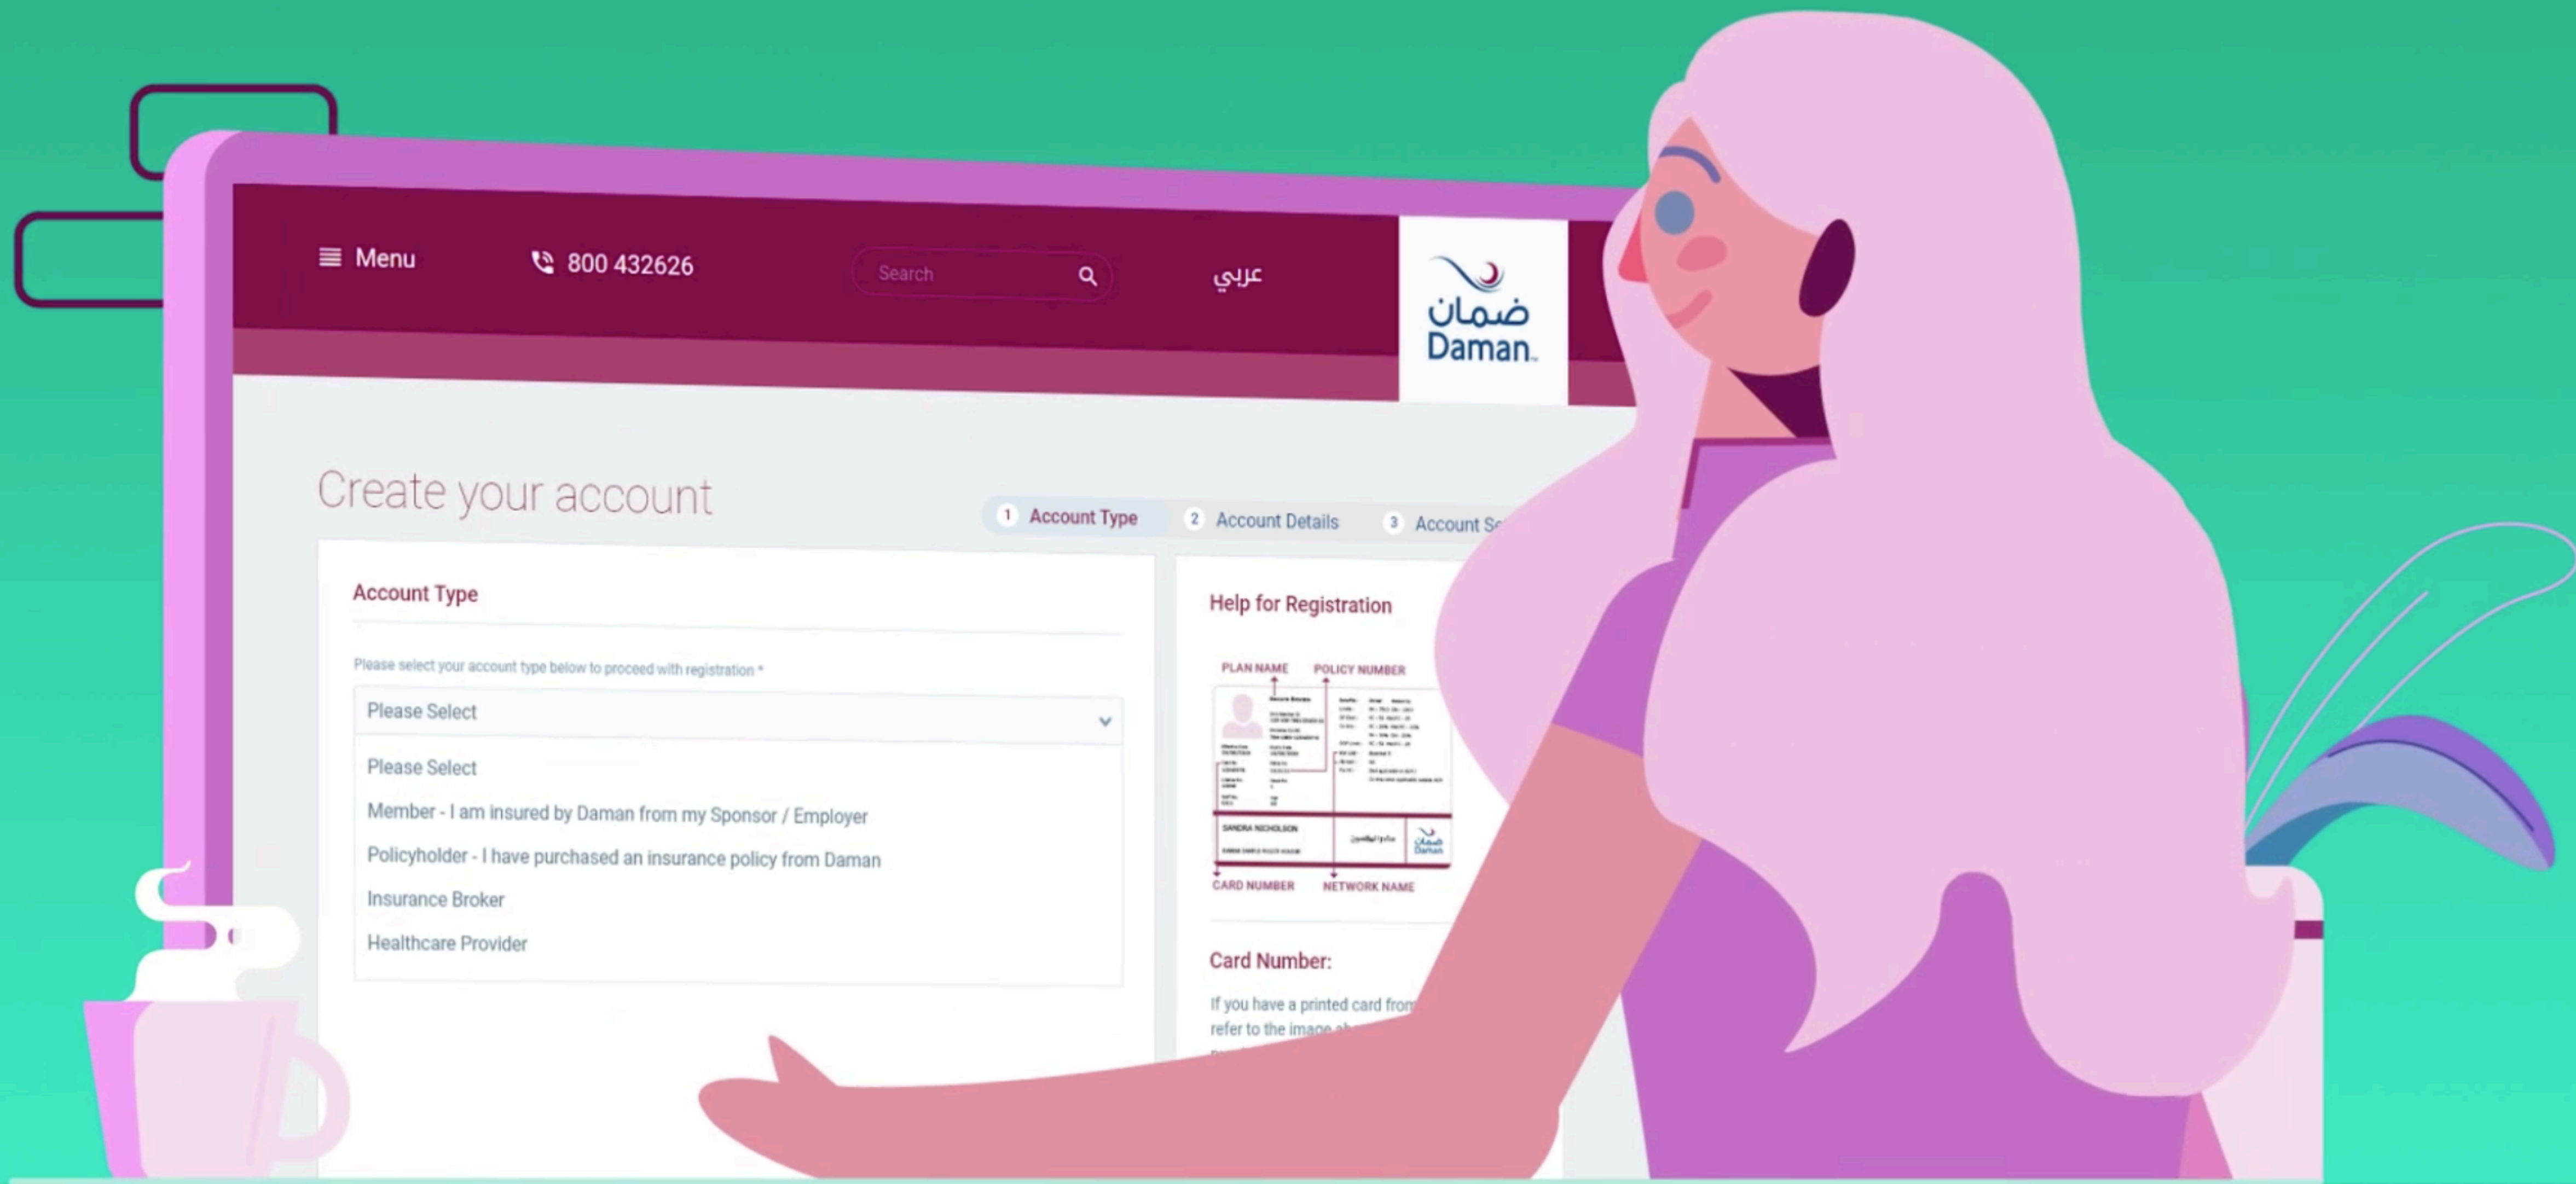

I am going to guide you on how to complete your registration as a member.

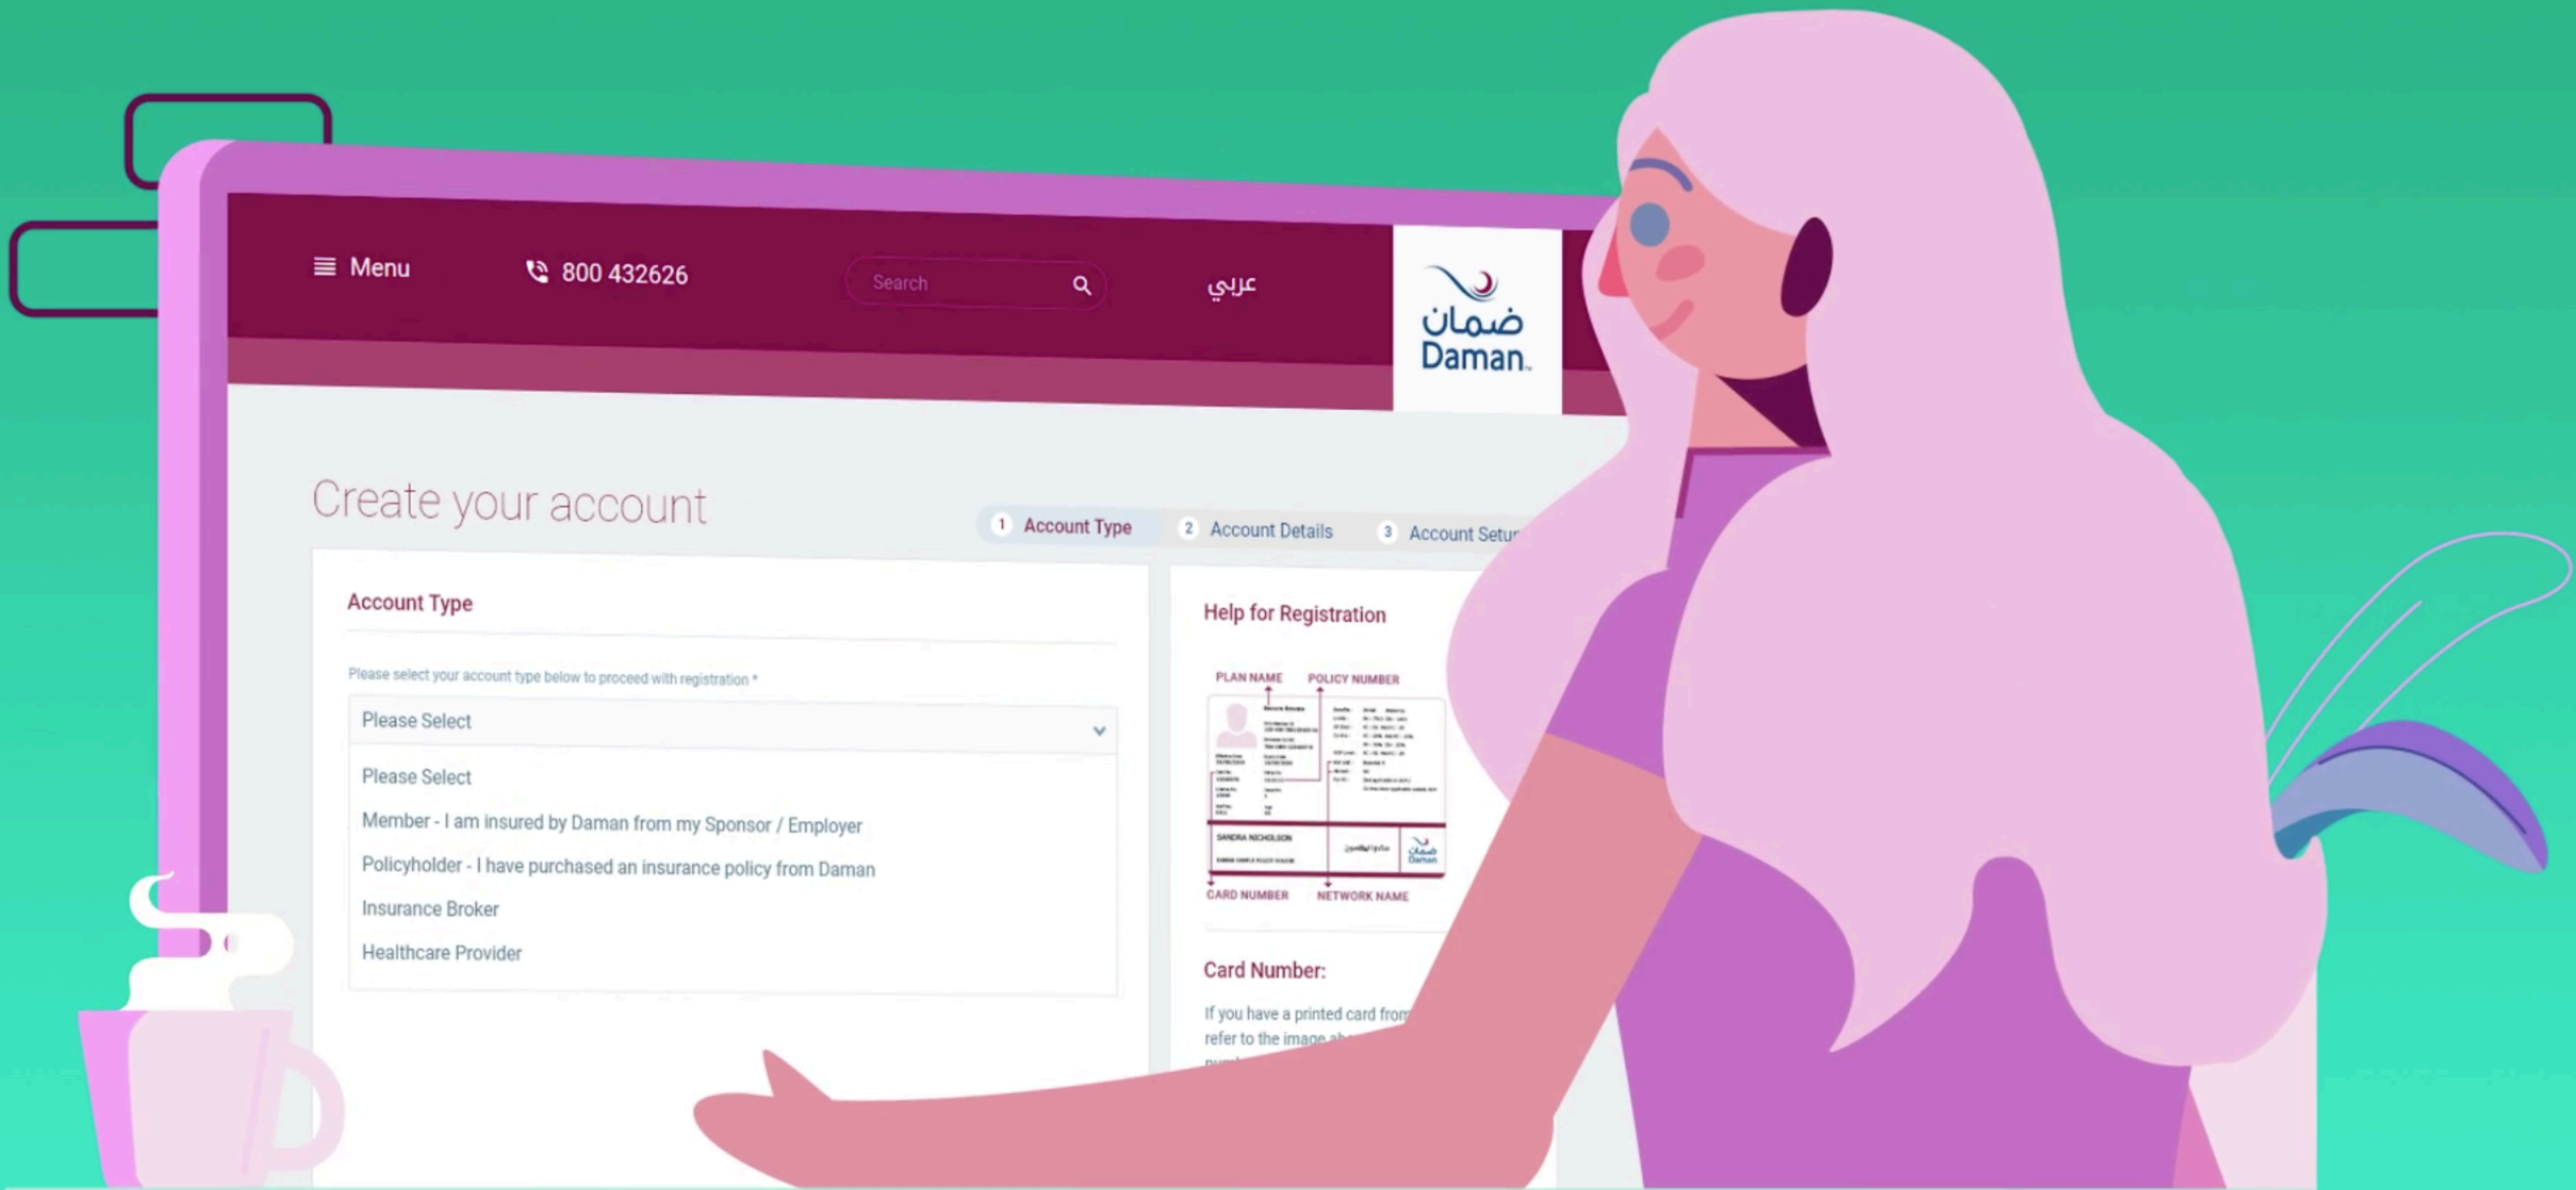

You can easily register to MyDaman wherever you are by visiting www.damanhealth.ae

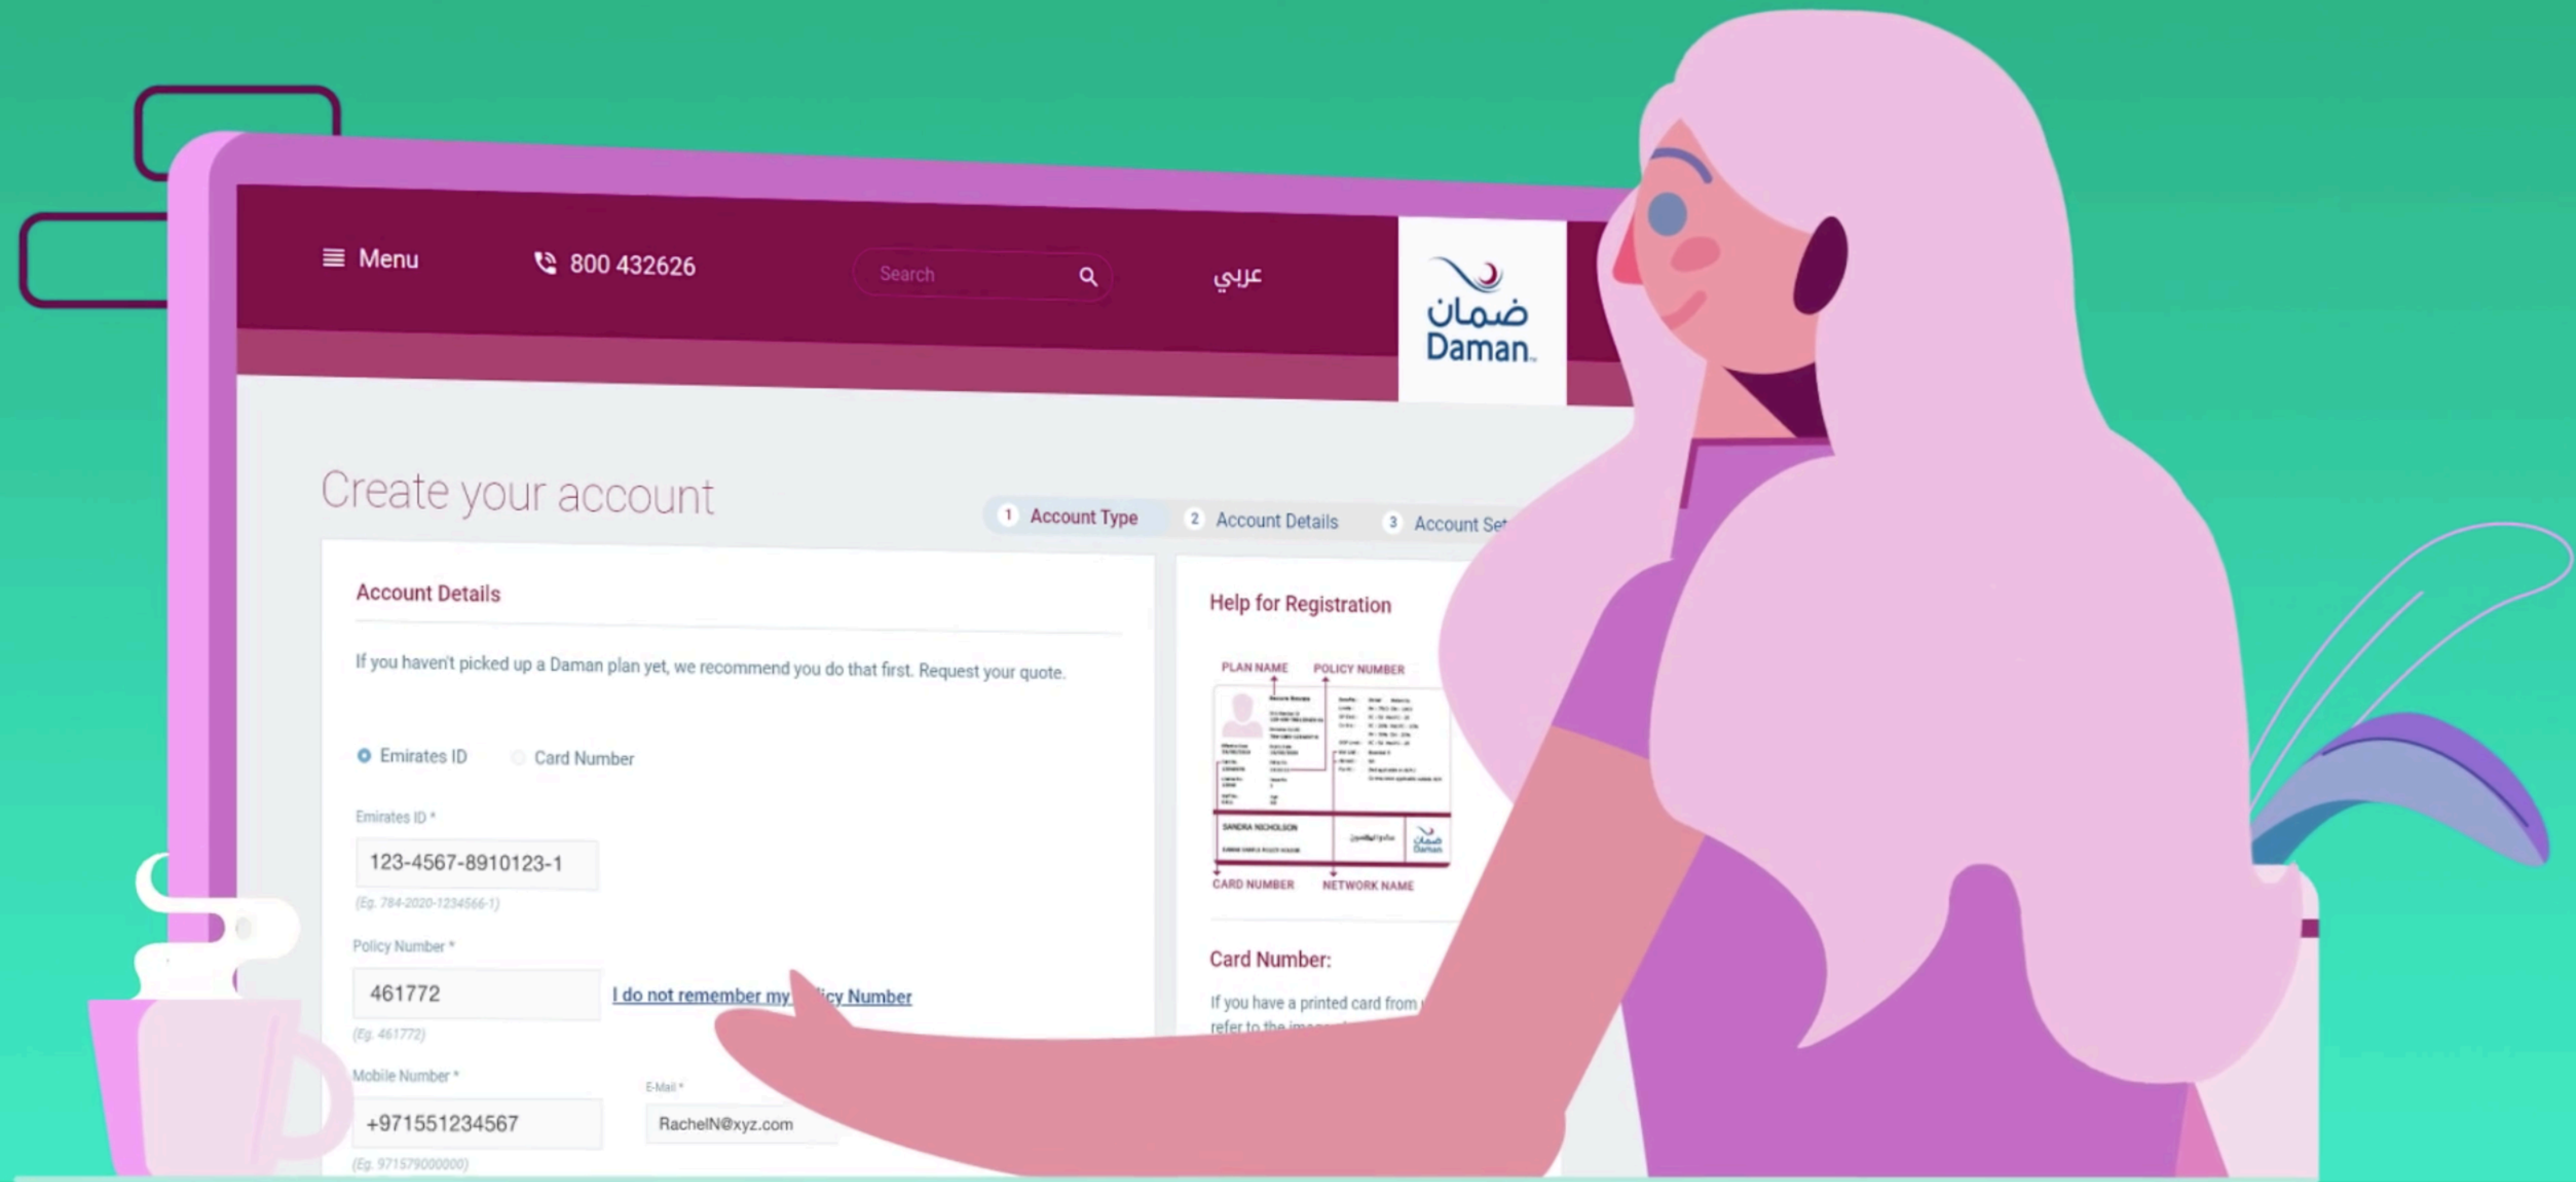

or by downloading the Daman app.

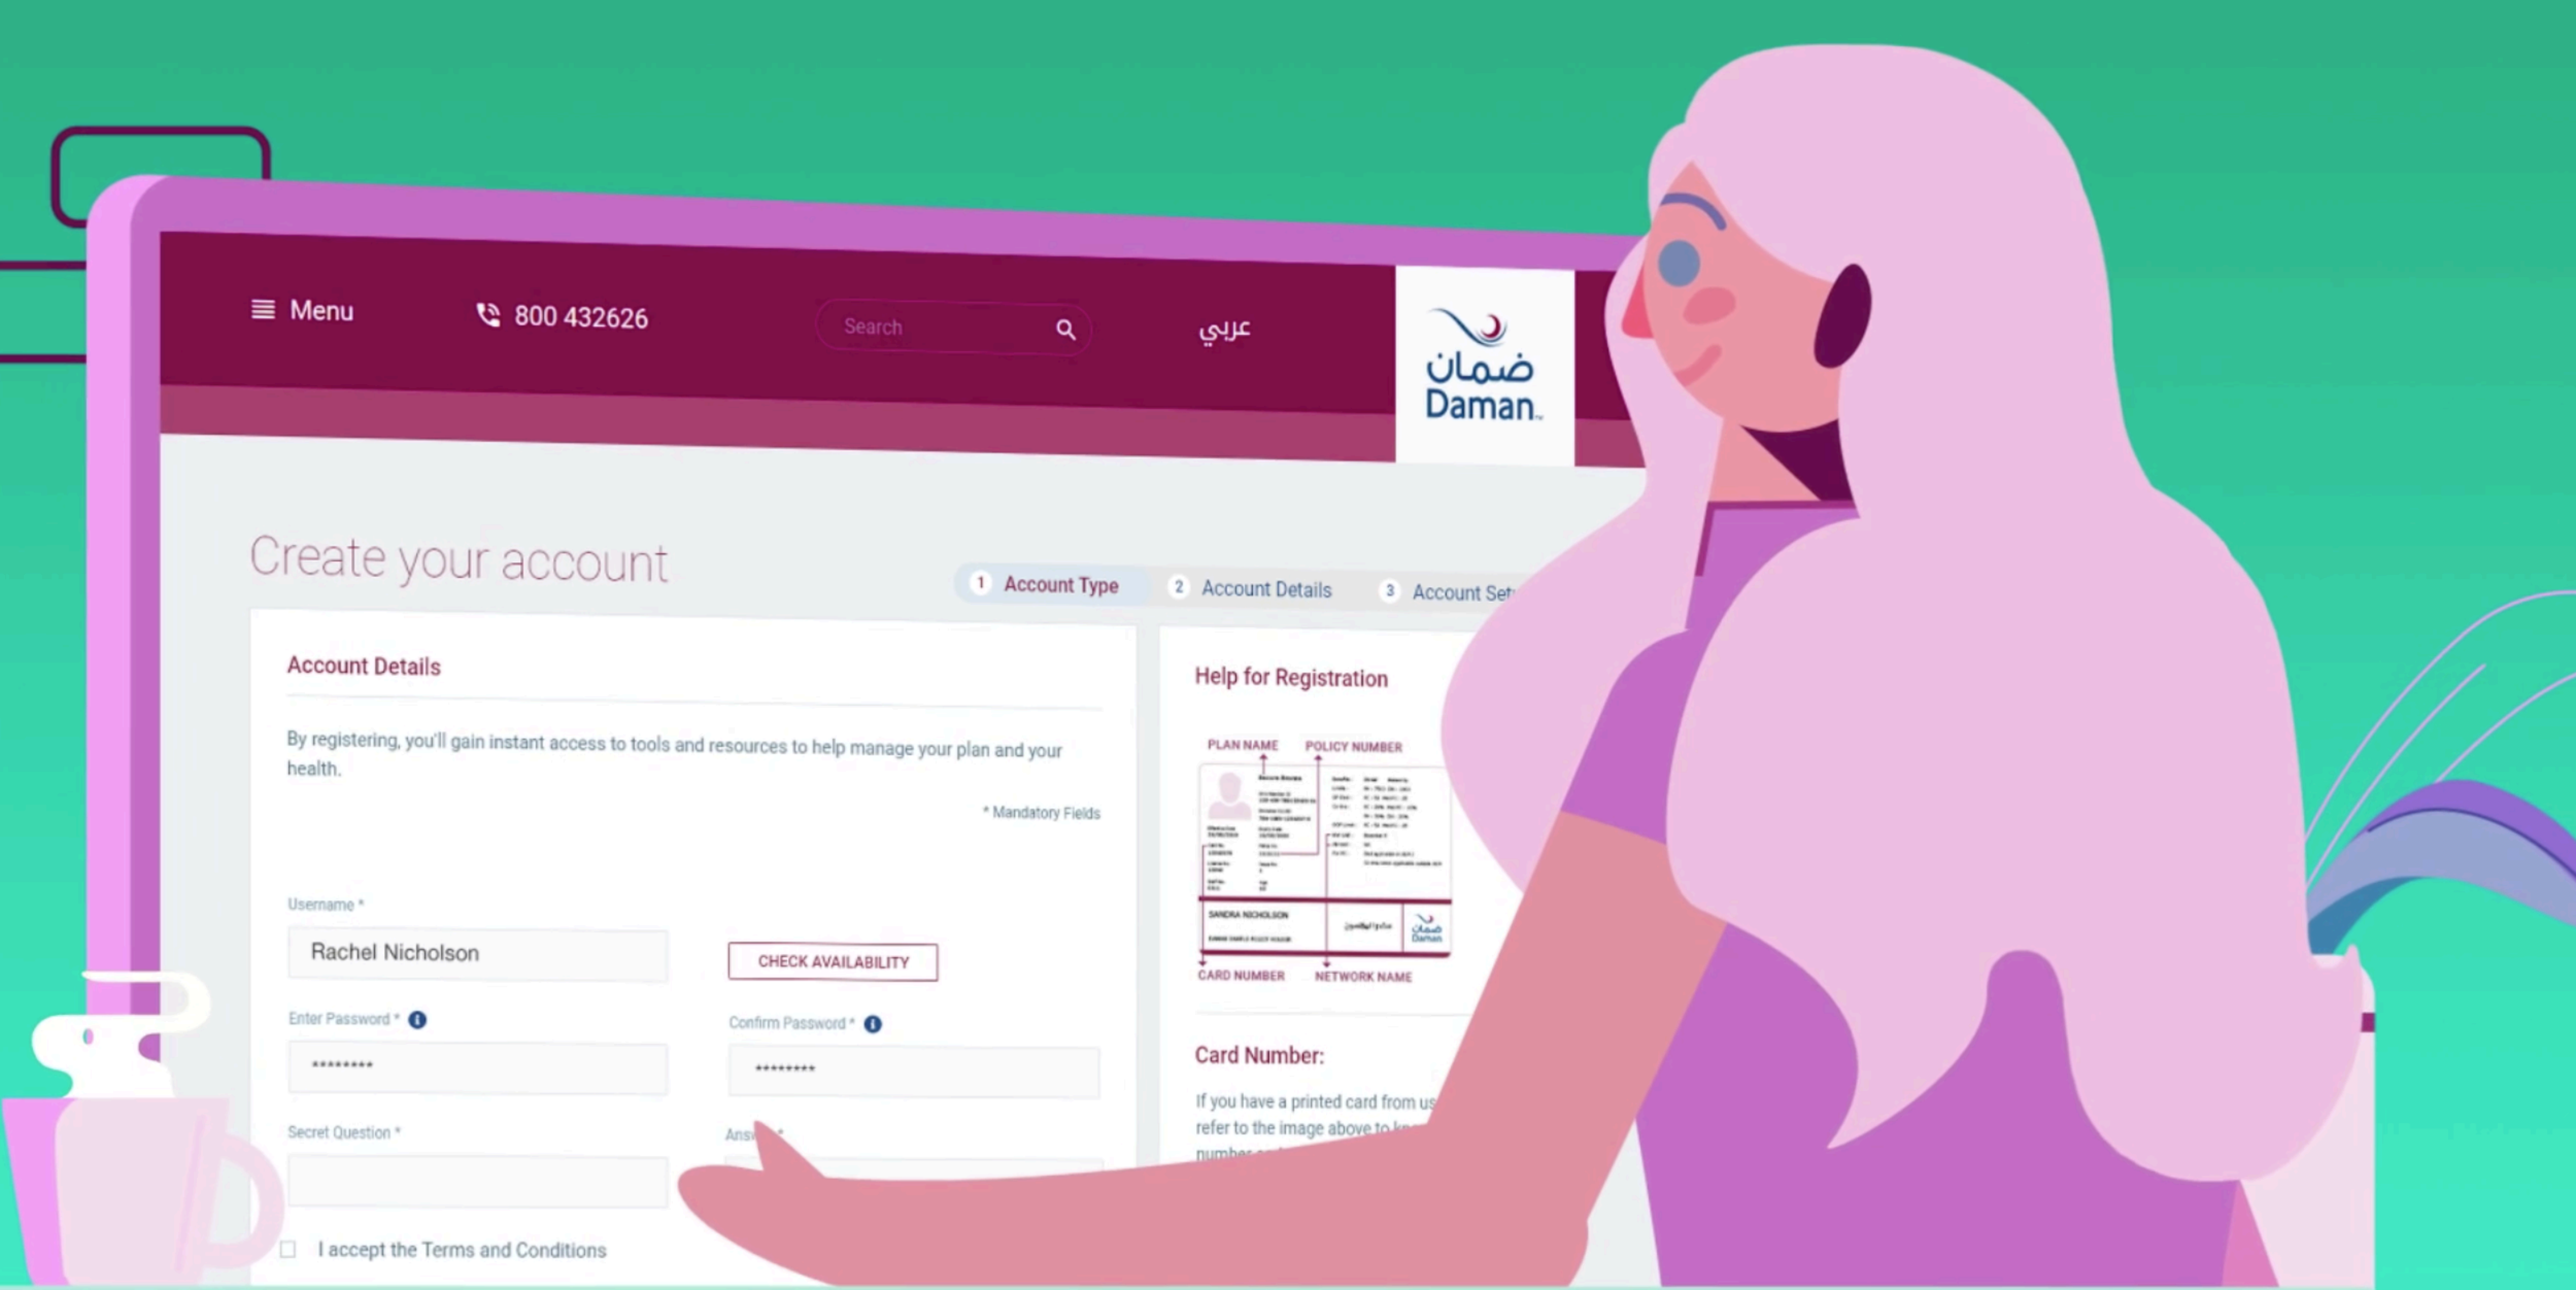

If it's through the website, click on sign in and register now.

Then you would need to register as a member.

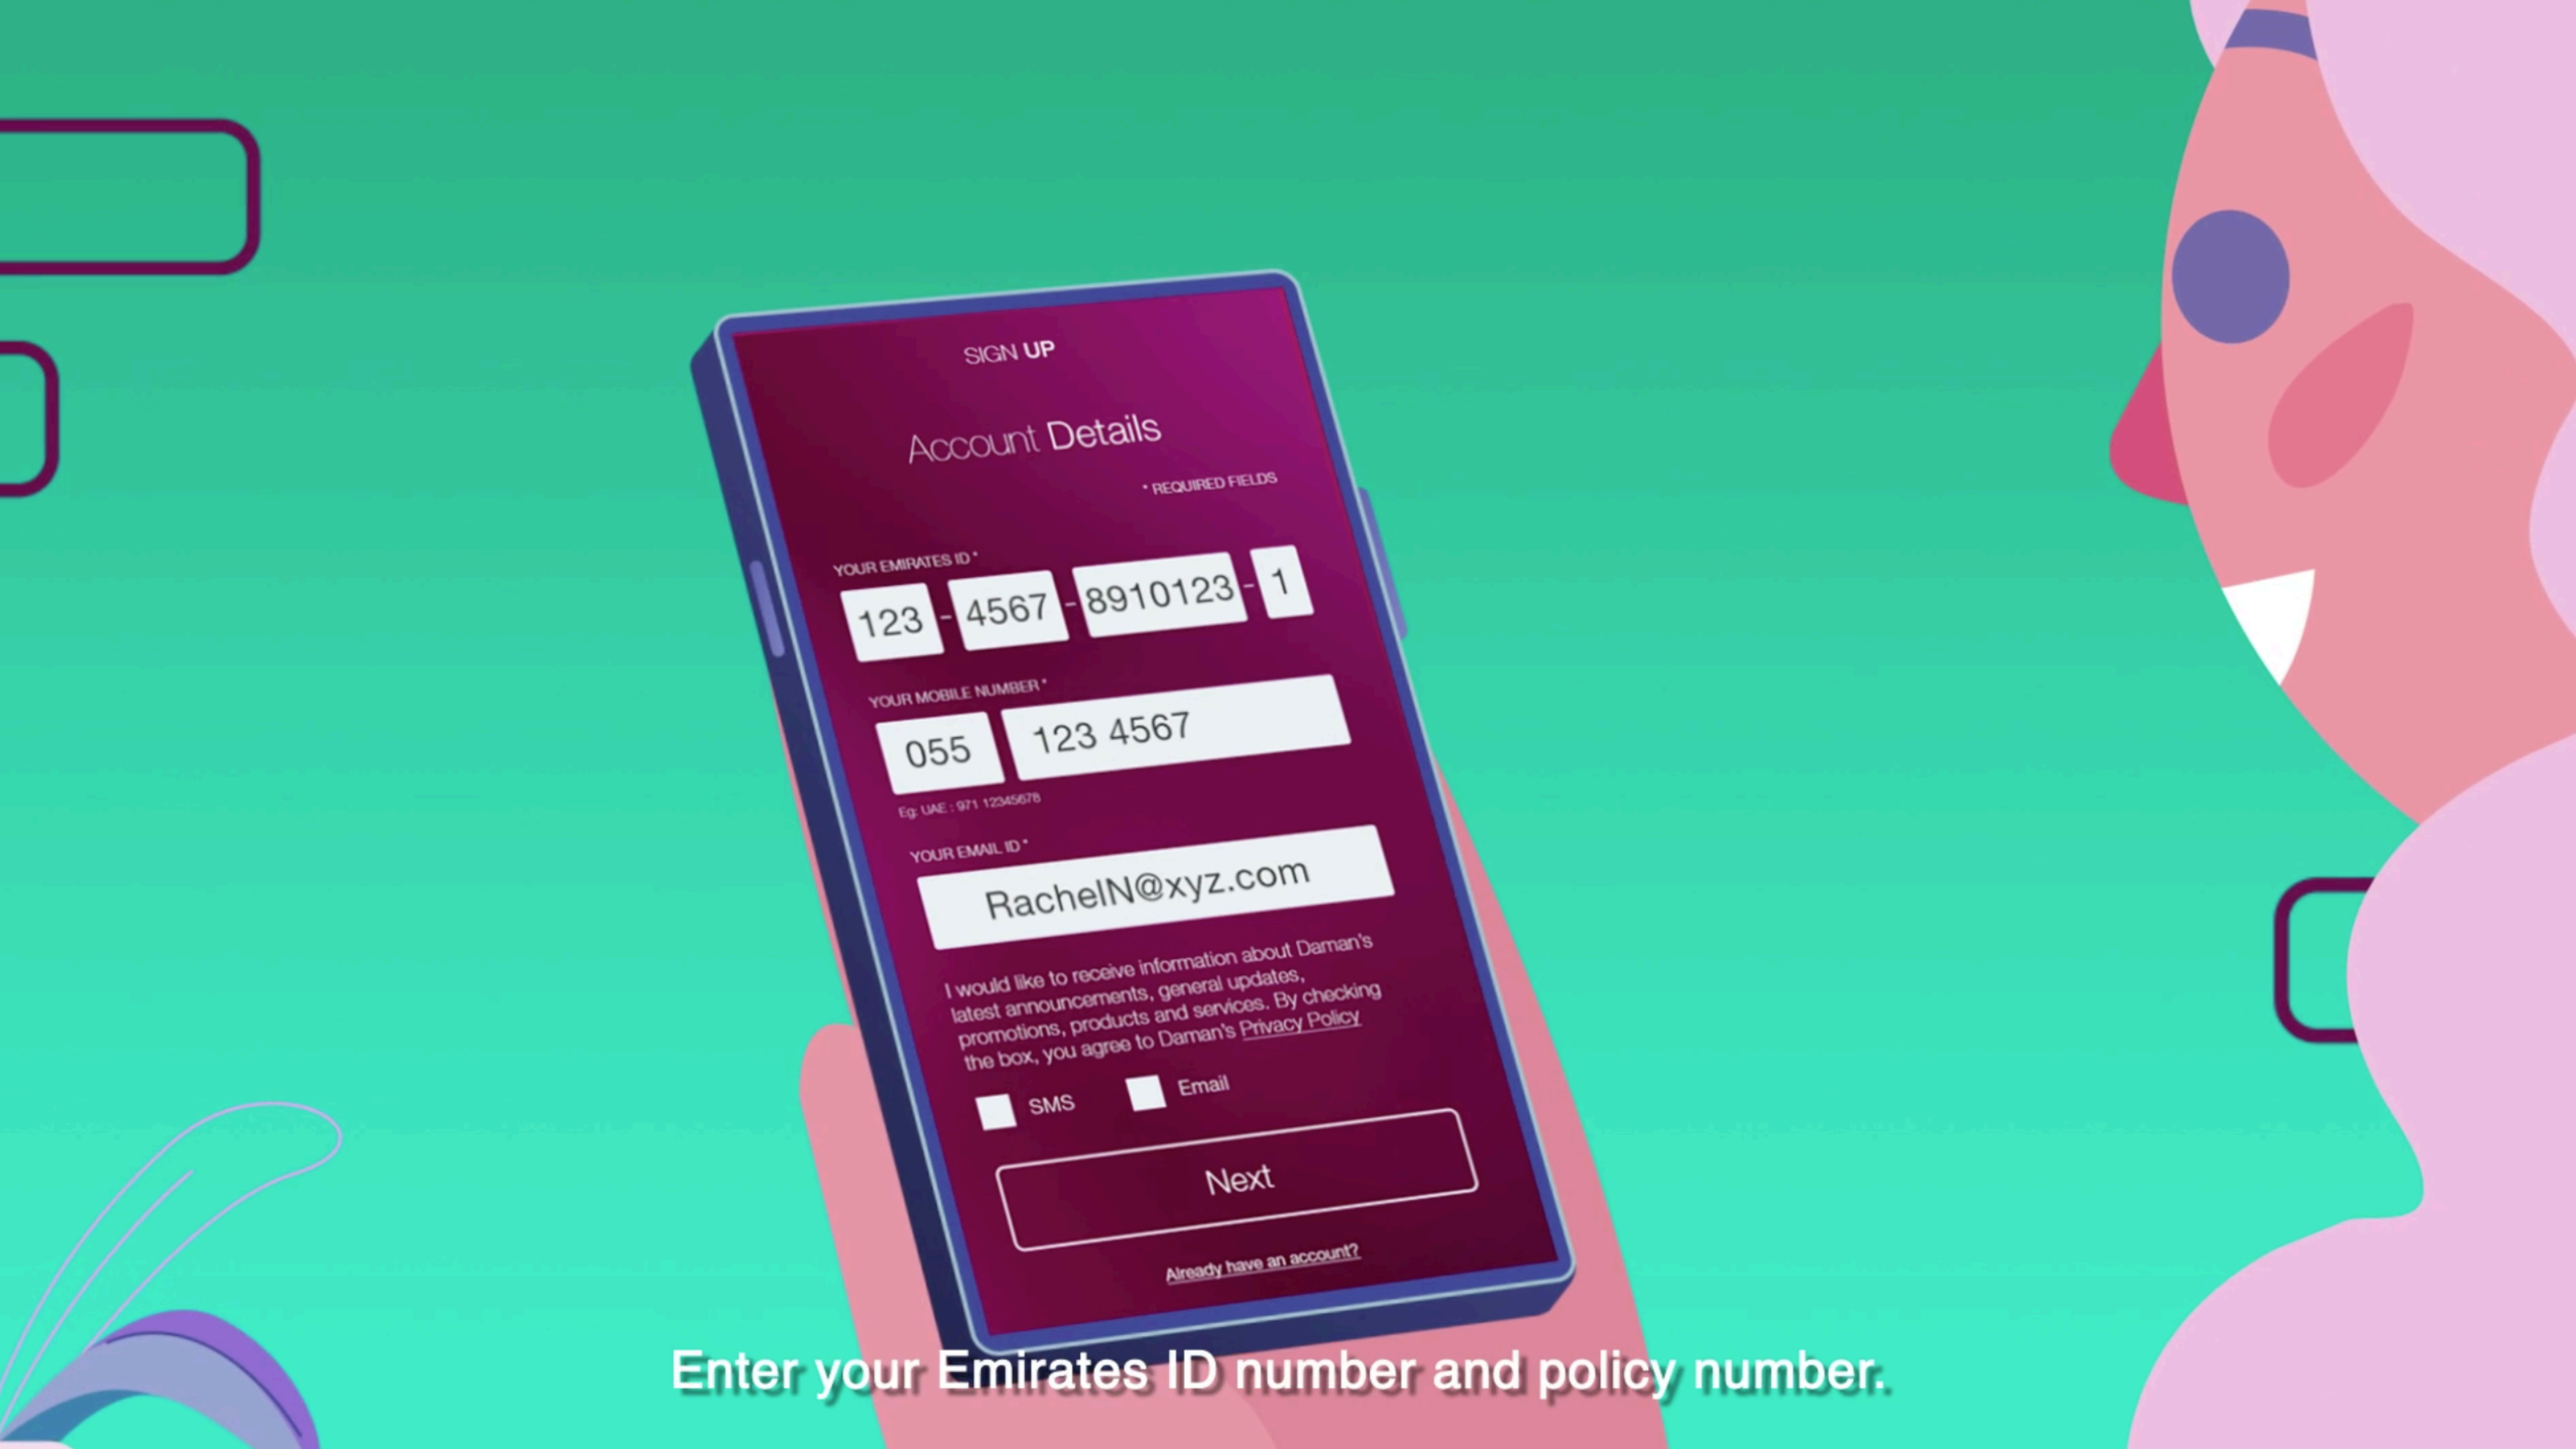

You can register using your emirates ID or card number.

The next step is to set up your account.

Signing up through the App is very simple too!
