Abstract

For Members

Dyschromia refers to an irregular or patchy discoloration of the skin. Vitiligo is a skin condition in which there is loss of brown colour (pigment) from areas of skin, resulting in irregular white patches that feel like normal skin.

Treatment of Dyschromias is not covered for any health insurance plan administered by Daman.

Treatment of Vitiligo is not covered for any health insurance plan administered by Daman, except for those plans with the specific benefit, subject to policy terms and conditions.

For Medical Professionals

Treatment of Dyschromias is not covered for any health insurance plan administered by Daman.

Treatment of Vitiligo is not covered for any health insurance plan administered by Daman, except for those plans with the specific benefit, subject to policy terms and conditions.

Disclaimer

By accessing these Daman Adjudication Rules (the "AR"), you acknowledge that you have read and understood the terms of use set out in the disclaimer below:

The information contained in this AR is intended to outline the procedures of adjudication of medical claims as applied by the National Health Insurance Company – Daman PJSC (hereinafter "Daman"). The AR is not intended to be comprehensive, should not be used as treatment guidelines and should only be used for the purpose of reference or guidance for adjudication procedures and shall not be construed as conclusive. Daman in no way interferes with the treatment of patient and will not bear any responsibility for treatment decisions interpreted through Daman AR. Treatment of patient is and remains at all times the sole responsibility of the treating Healthcare Provider. This AR does not grant any rights or impose obligations on Daman. The AR and all of the information it contains are provided "as is" without warranties of any kind, whether express or implied which are hereby expressly disclaimed.

Under no circumstances will Daman be liable to any person or business entity for any direct, indirect, special, incidental, consequential, or other damages arising out of any use of, access to, or inability to use or access to, or reliance on this AR, including but without limitation to, any loss of profits, business interruption, or loss of programs or information, even if Daman has been specifically advised of the possibility of such damages. Daman also disclaims all liability for any material contained in other websites linked to Daman website.

This AR is subject to the laws, decrees, circulars and regulations of Abu Dhabi and UAE. Any information provided herein is general and is not intended to replace or supersede any laws or regulations related to the AR as enforced in the UAE issued by any governmental entity or regulatory authority, or any other written document governing the relationship between Daman and its contracting parties.

This AR is developed by Daman and is the property of Daman and may not be copied, reproduced, distributed or displayed by any third party without Daman's express written consent. This AR incorporates the Current Procedural Terminology and Current Dental Terminology (CPT® and CDT®, which is a registered trademark of the American Medical Association ("AMA"), and the American Dental Association ("ADA") respectively), and the CPT and CDT codes and descriptions belong to the AMA. Daman reserves the right to modify, alter, amend or obsolete the AR at any time by providing one month prior notice.

Scope

This guideline outlines Daman's coverage of Vitiligo and Dyschromias for all health insurance plans administered by Daman.

Adjudication Policy

Eligibility / Coverage Criteria

Daman does not cover any treatment directed towards Dyschromias for all health insurance plans administered by Daman.

Treatment of Vitiligo is covered only for those plans with the specific benefit, subject to policy terms and conditions.

Requirements for Coverage

ICD and CPT codes must be coded to the highest level of specificity.

Non-Coverage

Treatment of vitiligo will not be covered for any health insurance plan administered by Daman except UAE Plus (SEHA) and Thiqa.

Daman does not cover any treatment directed towards dyschromias.

Payment and Coding Rules

Please apply HAAD payment rules and regulations and relevant coding manuals for ICD, CPT, etc.

Adjudication Examples

Example 1

Question: A 26 years old female patient holding an International plan was diagnosed with vitiligo and has been advised PUVA by her treating dermatologist.

Answer: The treatment will not be covered for this patient.

Example 2

Question: A 35 year old male patient holding UAE Plus (SEHA) plan, diagnosed with vitiligo, has been advised to undergo PUVA.

Answer: The treatment will be covered for this gentleman.
