Login Experience

The image displays three sequential screens from the Daman app's account recovery process:

- Step 4:** The 'Forgot Password' screen under 'Account recovery'. It contains input fields for Username (filled with 'Alex99'), Phone number (filled with '+971 553456789'), and Email (filled with 'd.spencer@gmail.com'). At the bottom, a red button labeled 'Send an Activation Code' is highlighted with a black arrow, and a 'Cancel' button is visible below it.
- Step 5:** The 'Forgot Password' screen showing the next step. It displays the same input fields as Step 4. Below them, a message states 'Verification code has been sent to the phone number you've provided above:' followed by a row of six input boxes containing the digits 1, 2, 3, 4, 5, and 6. A 'Resend code' link is present. A red button labeled 'Verify my account' is highlighted with a black arrow, with a 'Cancel' button below it.
- Step 6:** The 'Secure your account' screen. It shows the Username field (filled with 'Alex99'). Below it are two password fields: 'Create password' (with an information icon) and 'Re-enter password'. Both password fields contain the placeholder text 'Enter your password'. A red button labeled 'Save & Continue' is highlighted with a black arrow, and a 'Cancel' button is at the bottom.

Step 4:

Enter your account details.

Step 5:

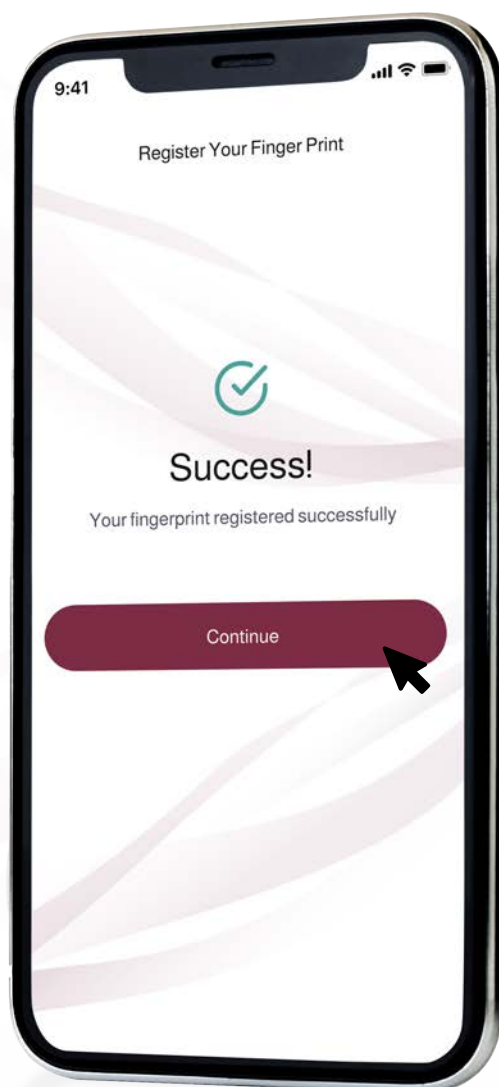

You can then verify your account using the verification code sent to your phone number.

Step 6:

Finally, you can secure your account by creating a new password.

Login Experience

Congratulations! You are
now logged into the app.
